SERIOUS, STYLISH SECURITY

OUR SHUTTERS ARE DURABLE, MADE FROM HIGH-GRADE ALUMINIUM, AND PROTECT YOUR PRIVACY.

Magnador is known for quality and custom-made solutions.
Our aluminium roller shutters are a more serious alternative to regular burglar-proofing and provide the following benefits:

- Insulation.
- Durability.
- Ease of use.
- Light Control.
- Privacy.
- Available in a range of colours.
- Custom-made sizes to fit any window or door opening.

REQUEST A QUOTE:

- Each aluminium roller shutter is **custom-built** to best fit the opening whether it be a patio, passage , window or more.
- With **varied slat options** we are able to enclose openings up to 7m wide.
- We offer **easy operation** with remote control, or home automation for motorised units, and for the lighter, smaller units a crank handle for manual operation (lockable bottom bar is optional).
- **Manual override** or **power backup** gives peace of mind during power failures or load shedding.
- **We can install inside your home** without taking away from your design, comfort or space.
- Profiles available include extruded double walled in 38mm, 55mm and 77mm. We also proudly offer extruded punched and microperforated profiles as well as various roll-formed [foam-filled] profiles. (Subject to availability)
